JOURNAL OF THE AMERICAN PODIATRY ASSOCIATION
January to December 1964
INDEX TO VOLUME 54

INDEX OF ARTICLES

Administrative and teaching areas, The physical needs of the. Podiatry College Facilities. *10:* 713
Aged, the Chronically Ill and the, Guide to a Methodological Approach for a Community Foot Health Study for. *7:* 465
Aged and Chronically Ill, A Community Health Need for the. Foot Health Education. *3:* 178
Amputee, Rehabilitation of a Partial Forefoot; A Case Report. *5:* 333
Anatomical and Physiological Relationships in the Foot, Some. *3:* 169
Arthritis, Rheumatoid, in Podiatric Patients, An Office Procedure for the Detection of. The Latex Fixation Test. *11:* 771

Bunionectomy, Double Longitudinal Incision in. *1:* 23

Carcinoma, Basal Cell, Seborrheic Keratosis or. A Case Report. *7:* 479
Career Selection Patterns, Podiatry Students Report. *11:* 778
Casting, a New Approach for the Correction of Congenital Pronation in Infants. *8:* 558
Chloraderm in Tinea Pedis. *1:* 29
Chronically Ill, A Community Health Need for the Aged and. Foot Health Education. *3:* 178
Chronically Ill and the Aged, Guide to a Methodological Approach for a Community Foot Health Study for the. *7:* 465
Clamp, Sesamoidectomy. *1:* 31
Coenzyme, Corticosteroid-, Preparation as Observed in Podiatry Practice, A New. *11:* 775
College Facilities. Podiatry, The physical needs of the administrative and teaching areas. *10:* 713
Communication, Effective, Dependent on Standardized Terminology in Records. *4:* 259
Community Foot Health Study for the Chronically Ill and the Aged, Guide to a Methodological Approach for a. *7:* 465
Community Health Need for the Aged and Chronically Ill, A. Foot Health Education. *3:* 178
Construction, Projected Podiatry, Enrollment, Spaces, Manpower Shortages and. *10:* 709
Corticosteroid-Coenzyme Preparation as Observed in Podiatry Practice, A. New. *11:* 775
Corticosteroids, The Reduction of Post Operative Pain and Edema in Foot Surgery Through Local Instillation of. *10:* 703
Current, Galvanic, Complete Nail Eradication Utilizing. A Preliminary Report. *6:* 401
Cutaneous Ulcers of the Lower Extremities, An Unusual Treatment for. *10:* 721
Cyst, Ganglionic, Produces Symptoms of Morton's Neuralgia. A Case Report. *10:* 720

Deficit in Podiatry, Present Manpower. *8:* 551
Delenar in the Practice of Podiatry, Administration of. *4:* 253
Dermo-Jet, The. Painless Injection Without a Needle. *9:* 639
Diapulse Therapy in General Podiatry Practice. A Preliminary Report. *12:* 849
Doctor as the Nurse's Boss, The. *2:* 119

Edema in Foot Surgery, The Reduction of Post Operative Pain and, Through Local Instillation of Corticosteroids. *10:* 703
Education, Foot Health. A Community Health Need for the Aged and Chronically Ill. *3:* 178
Education, Podiatry, on the March. *12:* 860
Education, Some Thoughts on Podiatry. *12:* 852
Emergencies of Lethal Potential in Podiatry. Practice. Part I. *4:* 256
Part II. *6:* 397
Part III. *7:* 474
Part IV. *8:* 546
Part V. *9:* 635
Enrollment, Spaces, Manpower Shortages and Projected Podiatry Construction. *10:* 709

Fracture, Uncommon Phalangeal. A Case Report. *6:* 410
Fungous Infections of the Feet. *3:* 189

Gait, A Regimen for the Toe-in. *5:* 326
Gait Analysis in Rehabilitation. *2:* 99
Gait Habits, Hypnosis and Functional. Gait Control with Posthypnotic Suggestion. Part I. *4:* Part II. *5:* 317
Galvanic Current, Complete Nail Eradication Utilizing. A Preliminary Report. *6:* 401
Ganglionic Cyst Produces Symptoms of Morton's Neuralgia. A Case Report. *10:* 720
Gout, Atypical. *6:* 404
Growth of the Profession, Some Measures of the. A Look at Today's Podiatrist. *9:* 630

Health Education, Foot. A Community Health Need for the Aged and Chronically Ill. *3:* 178
Heloma, Subcutaneous Implantation of a Soft Tissue Substitute for the Relief of. *9:* 623
Heloma Molle, Surgical Syndactylism for. A Case Report. *6:* 411
Hydro-Therapy in Podiatry. *3:* 191
Hypnosis and Functional Gait Habits. Gait Control with Posthypnotic Suggestion. Part I. *4:* 243
Part II. *5:* 317

Implantation, Subcutaneous, of a Soft Tissue Substitute for the Relief of Heloma. *9:* 623
Implants, Surgical, of Alloyed Metal in Joints of the Feet. *6:* 391
Incision in Bunionectomy, Double Longitudinal. *1:* 23
Infants, Congenital Pronation in, Casting, A New Approach for the Correction of. *8:* 558
Infections of the Feet, Fungous. *3:* 189

Part IV. *8:* 546
Part V. *9:* 635
Lymphosarcoma. A Case Report. *5:* 334

Manpower Deficit in Podiatry, Present. *8:* 551
Manpower, Enrollment, Spaces Shortages and Projected Podiatry Construction. *10:* 709
Mathematical Model for the Study of Metatarsal Length Patterns, A. *2:* 107
Metal, Surgical Implants of Alloyed, in Joints of the Feet. *6:* 391
Metatarasal Head Division and Regeneration. A Case Report. *5:* 334
Metatarsal Length Patterns, A Mathematical Model for the Study of. *2:* 107
Metatarsophalangeal Joint, Osteoarthropathy of the Second, A Case Report. *7:* 478
Metatarsus Varus with Internal Tibial Torsion. A Case Report. *8:* 563
Molluscum Contagiosum. A Case Report. *1:* 32
Morton's Neuralgia, Ganglionic Cyst Produces Symptoms of. A Case Report. *10:* 720
Movement During One Foot Balance, A Device for Recording. The Podokinetograph. *2:* 111

Nail Eradication, Complete, Utilizing Galvanic Current. A Preliminary Report. *6:* 401
Nails, A Study of Some Procedures for Eradication of Hypertrophied. Preliminary Reports. *8:* 543
Neuralgia, Morton's, Ganglionic Cyst Produces Symptoms of. A Case Report. *10:* 720
Nocardiosis of the Foot. A Case Report. *8:* 561
Nurse's Boss, The Doctor as the. *2:* 119
Nursing Home Patient, Podiatry as an Adjunct to Rehabilitation of the. *2:* 120

Orthopedics, An Approach to Foot. *2:* 115
Osteoarthropathy of the Second Metatarsophalangeal Joint. A Case Report. *7:* 478
Osteoma, Ulcerative Subungual. A Case Report. *1:* 33
Osteoporosis, Post-operative. *5:* 330
Oxymorphone in a Podiatric Practice, A Report on. *8:* 554

Pain and Edema in Foot Surgery, The Reduction of Post Operative, Through Local Instillation of Corticosteroids. *10:* 703
Patients, Podiatrists—People. *3:* 183
Phalangeal Fracture, Uncommon. A Case Report. *6:* 410
Physiological Relationships in the Foot, Some Anatomical and. *3:* 169
Podiatrist, A Look at Today's. Some Measures of the Growth of the Profession. *9:* 630
Podiatrists' Attitudes, Some Aspects of, as Revealed by a Psychological Test. *5:* 323
Podiatrist, Patients—People. *3:* 183
Podiatry Education on the March *12:* 860
Podiatry Education, Some Thoughts on *12:* 852
Podiatry Profession, Numbers and The. *4:* 248
Podiatry Profession, Report of the 1964 Survey of the. *9:* 626
Podokinetograph, The. A Device for Recording Foot Movement During One Foot Balance. *2:* 111
Post Operative Pain and Edema in Foot Surgery, Reduction of, Through Local Instillation of Corticosteroids. *10:* 703
Postoperative Care in Surgery of the Lesser Toes. *1:* 26
Post-operative Osteoporosis. *5:* 330
Prisons, Tinea Pedis in New York City. *8:* 556
Pronation in Infants, Congenital, Casting, a New Approach for the Correction of. *8:* 558
Psychological Test, Some Aspects of Podiatrists' Attitudes, as Revealed by a. *5:* 323

Raspostectomy, Questions and Answers on. *8:* 564
Records, Effective Communication Dependent on Standardized Terminology in. *4:* 259
Rehabilitation, Gait Analysis in. *2:* 99
Rehabilitation of the Nursing Home Patient, Podiatry as an Adjunct to. *2:* 120
Rehabilitation of a Partial Forefoot Amputee. A Case Report. *5:* 333
Renal Threshold for Sugar, Low. A Case Report. *6:* 408
Rheumatoid Arthritis in Podiatric Patients, An Office Procedure for the Detection of. The Latex Fixation Test. *11:* 771
Roentgen Interpretation of the Foot, Practical. *5:* 328

Sarcoma, Lympho-. A Case Report. *5:* 334
Seborrheic Keratosis or Basal Cell Carcinoma. A Case Report. *7:* 479
Sesamoidectomy Clamp. *1:* 31
Soft Tissue Substitute for the Relief of Heloma, Subcutaneous Implantation of a. *9:* 623
Some Thoughts on Podiatry Education *12:* 852
Spaces, Manpower, Enrollment Shortages and Projected Podiatry Construction. *10:* 709
Stockings, Supportive Type, and Their Abuse. *8:* 566
Students, Podiatry, Report Career Selection Patterns. *11:* 778
Study, Community Fooot Health, for the Chronically Ill and the Aged, Guide to a Methodological Approach for a. *7:* 465
Sudeck's Disease. A Case Report. *1:* 34
Sugar, Low Renal Threshold for. A Case Report. *6:* 408

Supportive Type Stockings and Their Abuse. *8:* 566
Surgery, Foot, The Reduction of Post Operative Pain and Edema in, Through Local Instillation of Corticosteroids. *10:* 703
Surgery, Minimal. *4:* 254
Surgery of the Lesser Toes, Postoperative Care in. *1:* 26
Surgical Implants of Alloyed Metal in Joints of the Feet. *6:* 391
Surgical Syndactylism for Heloma Molle. A Case Report. *6:* 411
Survey of the Podiatry Profession, Report of the 1964. *9:* 626
Syndactylism, Surgical, for Heloma Molle. A Case Report. *6:* 411

Teaching areas, The physical needs of the administrative and. Podiatry College Facilities. *10:* 713
Terminology in Records, Standardized, Effective Communication Dependent on. *4:* 259
Therapy, Diapulse, In General Podiatry Practice. A Preliminary Report. *12:* 849
Therapy, Hydro-, in Podiatry. *3:* 191
Thrombophlebitis of the Foot, Idiopathic Nonrecurring. A Case Report. *7:* 477
Tibial Torsion, Internal, Metatarsus Varus with. A Case Report. *8:* 563
Tinea Pedis, Chloraderm in. *1:* 29
Tinea Pedis in New York City Prisons. *8:* 556
Toe-in Gait, A Regimen for the. *5:* 326
Toes, Postoperative Care in Surgery of the Lesser. *1:* 26

Ulcers of the Lower Extremities, An Unusual Treatment for Cutaneous. *10:* 721

Anaphylactic reaction to chymotrypsin injection; development in previously nonsensitive patient. *9:* 650

Anatomy

Anatomy of congenital talipes equinovarus. *8:* 574
Development and growth of bones and joints. *8:* 573

Anesthesia

Podiatrist's responsibility with anesthesia in office and hospital. *9:* 650

Arthritis

Gouty arthritis in three sisters. *1:* 56

Circulatory System

Leg ulcers, preoperative treatment with silver spray and aluminum foil. *1:* 58
Varicose ulcers and burns treated with vitamin D and glucose. *1:* 56
Varicose veins. *1:* 57
Varicose veins, etiology of; concept of chemicohemodynamics. *1:* 57

Dermatology

Chronic cutaneous lesions, treatment by occlusive dressings. *9:* 651
Contact dermatitis of foot. *5:* 348
Painful and deep fissures of the feet, new technique in treatment of. *8:* 575
Sweaty sock dermatitis. *3:* 203
Vitamin A, effects on epithelial cells of skin. *5:* 343

Diabetes; Gangrene

Diabetes mellitus, oral treatment of. *10:* 729
Diabetic foot; a problem in therapy. *5:* 344
Diabetic foot lesions, management of. *5:* 343
Foot care for diabetics. *6:* 424

Drugs

Chymotrypsin injection, anaphylactic reaction to. *9:* 650
Oral treatment of diabetes mellitus (phenormin) *10:* 729

Embryology

Bone formation, current concepts of. *3:* 204

Geriatrics

Care of feet in the elderly. *1:* 59

Musculoskeletal System

Bipartite Achilles tendon. *5:* 346
Congenital club foot; results of treatment. *1:* 60
Deformities in lesser toes; crucial age for cortion. *6:* 425
Epiphyseal arrest by intra-osseous injection of papain. *1:* 61
Epiphyseal plate, injuries of. *1:* 60
Fractures of os calcis. *10:* 730
Hereditary transmission of congenital coalition of calcaneus to navicular. *8:* 575
Muscle strength, evaluation of by multiple angle testing method. *5:* 345
Osteoporosis. *5:* 345
Painful heel in adolescence. *5:* 346
Pronated foot, correction of. *5:* 347
Stress fractures in children. *7:* 493
Talonavicular synostosis. *6:* 424
Talus, late results of injuries to; 40 cases. *5:* 347
Tarsometatarsal joint, dislocation of. *1:* 62

New Growths

Malignant melanoma. *8:* 576
Mucoid lesions of fingers and toes; clinical features and pathogenesis. *8:* 576
Not a corn. *7:* 493

Onychology

Ingrowing toenails, etiology and out-patient management of. *1:* 63
Paronychia, chronic, incidence of. *8:* 577

Prophylaxis and Hygiene

Foot care for diabetics. *6:* 424

Shoes

Contact dermatitis of foot. *5:* 348

Surgery

Distraction-compression bone graft arthrodesis of ankle, especially in children. *8:* 578
Hammer toe surgery, physiological approach to. *10:* 729
Overlapping toe; new approach to surgical correction. *9:* 652
Stainless steel wire suturing. *9:* 652

Therapy

Ultrasonic and corticosteroid absorption. *8:* 579

Verruca

Let's talk about warts. *10:* 731
Plantar warts, treatment of. *5:* 348

Miscellaneous

Disinfection of hands; removal of resident bacteria. *1:* 63
Standardization in records of the foot. *6:* 425
